

# Precision Die Sets & Components Newsletter March 09

**PDC is now offering:  
Surface Grinding 450 x1500 mm max  
at very competitive prices.**

## **10% OFF ALL MD Ball Bushes IN MARCH**

*When you quote "PDC Newsletter March 09" on your order.*

PDC offer the exclusive range of MD precision ball bushes with the ball cage captive within the bearing sleeve. These are predominantly used in the upper plate of the die set, metric sizes held in stock & inch sizes made to order. We also offer ball bushes or just the ball cages custom made to your specifications.

## **Budget Die Sets**

PDC is now able to offer a lower cost rectangular die set with thinner plates and smaller diameter press fit pillars and bushes to suit simple tooling with reduced volumes and smaller forces. We can supply these die sets with rear, centre, diagonal and four pillar configurations all at a budget price so you can reduce your tooling cost.

For more information please call our sales team.
