

# Precision Die Sets & Components Newsletter October 09

## PDC IS NOW OFFERING:

### PDC TO MACHINE YOUR PLATES

PDC are now offering customers the facility to machine your free issue plates for either pillars and bushes or fully machined ready to accept tooling.

### ECONOMY RANGE OF PRESS FIT PILLARS AND BUSHES

AT LOW PRICES !!!

### LOWER COST DIE SETS

PDC is now able to offer a lower cost rectangular die set with thinner plates and smaller diameter press fit pillars and bushes to suit simple tooling with reduced volumes and smaller forces. We can supply these die sets with rear, centre, diagonal and four pillar configurations all at an inexpensive price so you can reduce your tooling cost.

For more information on all of the above please contact our sales team.

Please visit our new web site: [www.pdc-ltd.co.uk](http://www.pdc-ltd.co.uk)
